As requested in the Notice of Committee Conference dated October 7, 2010, Applicant proposes the schedule set forth below for completion of this matter. As set forth in detail in Applicant's Response to Staff Status Report No. 8, dated September 23, 2010, most, if not all, of the "issues" recently identified by Staff have long been resolved. To the extent that there is ongoing disagreement between the Staff and Applicant, it is based on long-standing issues of dispute that are ripe for adjudication by the Committee. Therefore, there is no need for new studies at this late stage of the proceedings, and the schedule set forth below is achievable.
